## ***WELCOME!***

Here at Hobe Sound, we are very pleased to welcome you to this lake. We believe this lake offers some of the best sailing in South Florida! We hope that all of you have a wonderful time competing in the 2023 IOM North American Championship. There are 14 different countries represented this week.

The name of the venue for this event is The Hobe Sound Farmer's Market. The property is privately owned, is a real working farm and the property's owner, Be a Man Buy Land, has graciously permitted the US IOM Class Association to host this regatta here. As you probably realized while making arrangements for places to stay and looking on Google Earth, this part of Florida is off the beaten path and is still quite rural even though it sits between two of the three of Florida's major North/South highways.

The venue sets up beautifully for the area's prevailing ESE breeze which allows us to sail among the coconut palms and on a sandy beach. If we sail along the western shore and have North winds, there is no finer sailing. While on site, mind yourself around the pond, watch your step and be on the lookout for the resident alligator and other wild animals. Critters have been known to peak through the trees and American Bald Eagles and Ospreys occasionally dive in to the lake for a snack or land in the cypress trees to watch the sailing.

Lunches and drinks will be provided daily; however it is suggested that you bring any breakfast foods, coffee, preferred snacks, fruit, energy drinks, or whatever you think you may need in addition to what is served at the regatta. Since the site is off the beaten path groceries and convenience stores are not close by.

We are guests of the Farmer's Market, we will need to adhere to the Market's policies and procedures by following a few simple rules and courtesies.

1. There will be no admission to the property before 8:00am, or after 6:00pm during the regatta.
2. No pets are permitted on the property.
3. **While on property, the speed limit is 10 MPH Maximum. Anyone caught exceeding the speed limit will be asked to leave the event permanently.**
4. The policy of the event is a zero footprint every day. Be sure to always police the property and properly dispose of bottles, trash, cigarette butts, and pick it up (even if it is not yours).

## Site Map

Accommodations around the lake are in 3 towns: Jupiter, Hobe Sound and Stuart. The list below may help you find necessities.

### Jupiter:

Jupiter Hospital	1210 Old Dixie Hwy
Urgent Care	1335 W. Indiantown Rd.
